

2023 School Improvement Plan Summary

Clarendon Primary School

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1: Increase attainment and retention of High Band in Reading Achievement	2022: Target 2023: Year 1 Phonics: 55% at SEA (5/9 students) NAPLAN: • Retain 60% of students from year 3 2021 at High Band 2023 Year 3, 50% at HB (6/12 students)	If we strengthen our English programs with a focus on explicit teaching of comprehension strategies (including reciprocal teaching methods) and differentiation, then we will increase attainment and retention of High Band in Reading.	We will see: <ul style="list-style-type: none"> • students tracking and monitoring own progress against reading goals. • students progressing through the phonics sequence as evidenced by tracking and monitoring tools. • students who can articulate what they are learning and why, and what strategies they are using to comprehend texts.
	2024:		
Goal 2: Increase achievement and retention of High Band in Numeracy	2022: Target 2023: NAPLAN: • The 50% Year 3, 2021 at HB will be retained in 2023 • 3/13 (23%) of year 3's to achieve HB in NAPLAN 2023 (based on PAT-M performance 2022). 3/8 (38%) of year 5's to achieve HB in NAPLAN 2023 (based on PAT-M performance 2022).	If we develop teacher skills in explicitly teaching problem solving, visualisation techniques and attending to instructional routines, then we will increase achievement and retention of High Band in Numeracy.	Students will: <ul style="list-style-type: none"> • Using a range of visual tools and manipulatives to solve problems • When asked, be able to articulate the reasoning and problem-solving strategies they are using to solve problems
